

The Co-op Courier News from Bagley Co-op Association

Seed Days March 6th

Noon to 5 p.m., lunch Noon-1 p.m.

By Kevin Smith
General Manager

Seed days will be Wednesday March 6th from noon to 5 p.m.

We will have reps here from Purina, La Crosse seed, and others.

Saxton fleet will not be able to attend, but we will have information available.

We will have specials and will be booking fertilizer for this season, along with contracts for spring and fall diesel fuel.

**Thank you for
your business!**

Goodyear Tire Rebates up to \$100

Stop in at the station for tire specials and to find out about the Goodyear Rebates up to \$100 now through March 31, 2019.

Free rotation of tires when you buy a set of four tires.

At the station we do oil changes, alignments, and light mechanical work.

We are offering a limited selection of Hot Stuff food at the station in the morning and lunchtime.

**Be here on March 6 to
book your spring and fall
diesel fuel!**

See us today for your VitaFerm supplements!

We are an official VITAFERM dealer; stop in and see the guys about the line of products.

We are also an Authorized Richie

dealer and we carry replacement parts for Ritchie and water tank heaters.

When it comes to fuel and oils, **WE DELIVER!**

Our Fuel Department will be delivering fuel, grease and lubricants to our customers.

Call for pricing.

We can also get you prices on tanker loads delivered to your operation, along with bulk oils.

Annual Meeting is March 29

The Annual meeting will be on Friday, March 29, 2019 at 6 p.m. at the Bagley High School.

Highlights of our year include receiving \$55,448 in cash from CHS for the 2018 year.

In the first quarter CHS is experiencing good profits, with most of it coming from the energy side of the business.

In 2018 we had growth in all departments, with some increase in margins. The C-Store saw the largest growth of about \$1.2 million.

We also had increases in sales at the elevator, station, and bulk fuels.

It was a challenging year with the farming community struggling against low prices on cattle and rising cost of inputs.

The year 2019 seems to have challenges of its own with higher cost of fertilizer, fuel, and other inputs.

On the good news side, the contract prices we have for fuel for the spring and fall seem to look favorable at this time based on the current market.

**Be sure to ask us about
the Total Protection
Plan for farm
equipment through
Cenex.**
