The Co-op Courier News from Bagley Co-op Association

Two new directors elected to Co-op Board

By Kevin Smith, Gen. Mgr.

We would like to welcome the two new members to the board of directors of the Bagley Co-op Association, and they are Robert Godwin and Bryan Ramsrud. They join Board President Garry Olson, Vice President Roelf Aufforth, and Secretary/Treasurer Jeff Francis.

Spring finally seems to be here and the fertilizer season has begun. This year at The Bagley Co-op we have more services to offer than ever before because of our joint venture with Gully Tri Co-op. These include: floaters, multiple product application, and an agronomist to advise you of your crop needs.

Welcome new employees at Elevator and Main Office

We have some new faces at Bagley Co-op.

Tyler Strandberg is a 2018 graduate of North Dakota State University with a major in animal science focusing on Agri-business. He will be managing the elevator. Tyler worked for us last year as an intern with Purina Feeds.

Another new face is Barton Fast.

Also joining us is Royce Nelson in the bookkeeping area. Royce was manager at the Bagley Hardwoods operation prior to coming to work for Bagley Co-op Association.

Cash Fuel Discount

We are still offering 3 cents off per gallon on cash or anyone using their co-op account if it is current.

Last but not least:

Be safe during this busy season and THANK YOU for doing business with the Bagley Co-op Association, where the customer is the company!
